JUNIOR (10,1) 1. Lovely strong class. 1. HUCKERBY & DOWELL SUNVALLEY STRUCK LUCKY FOR NORWILBECK BELLCHIME. My star of the day a very stylish & elegant bitch that is still young and still needs time to mature. Beautifully balanced in outline on the stack with a lovely front good length of upper arm and return. Good topline on the stack, short strong loin and good tailset and quarters. Good depth to brisket. Good height in foreleg and nice tight feet. Good underline. Lovely pretty head that is so clean all through with no excess wrinkle. Good width & depth to muzzle. Defined stop and excellent rise to skull. Well set ears. Lovely crested neck. She seemed a little tense on the move which made her to tend to hunge her topline but like some of my American bred danes I put this down to a growth thing or just being tense in the hall. Moved very soundly round the ring with good extension in front and good drive from her hocks. She was handled beautiful and one of those bitches that looks stunning when she is strung & stacked using no bait. She just relaxed in challenge ... moved as well as she needed to ... looked super stylish and very elegant and something caught her eye and she leaned into her lead and wow she looked absolutely beautiful. Sympathetically handled to get the very best out of her. And in a really lovely line up of top quality bitches CC (her first) and RBIS. 2. MCCARTHY & GETHING CH.SUNVALLEY HEART ON FIRE AT JEDDHI. Another excellent bitch

that has done a lot of winning. Very mature for her age but wasn't quite as together in the class today. Lovely head although I would have preferred it a little cleaner all through. Good width & depth to muzzle. Defined stop and good rise to skull. Lovely eye & expression. Good front and depth to brisket and well sprung ribs. Good topline and tailset and quarters. OPEN (9,1) super class with many that could have easily won this class. Was a delight to go round the ring and see so many excellent examples of this very strong breed. 1. HUCKERBY & DOWELL CH. TOP TICKLE FOR NORWILBECK BELLCHIME. A favourite of mine and so typical from this consistent kennel. Loved her over all balanced outline yet she is still feminine and has substance. Beautiful head with excellent width & depth to muzzle, pronounced chin and good lip placement, beautiful dark eye & melting expression. Defined stop and clean through the skull. Arched neck into a lovely front with good width & depth to brisket well sprung ribs and good broad strong back & topline. Good loin tailset and excellent quarters. Good height in foreleg and lovely feet. Moved exceptionally well in all directions with excellent reach in front & drive from behind - covering the ground so well. Showed very well to win this excellent class and was very strongly considered in the challenge for the CC but she wasn't quite so happy and settled in the stack or on the move with a change of handler. 2. MILLAR WALKON FIRST CLASS. Another beautiful brindle from another consistent kennel and one I have again admired from ringside and today I wasn't disappointed. Beautiful head with a melting expression. Excellent depth and width of muzzle, defined stop and rise to skull, neat ears and well arched neck. Excellent topline and strong back & loin. Excellent quarters. Moved very well in all directions and beautifully handled by one of the experts of the breed. Unlucky to meet 1 on such good form in the class. 3.
