

Trent Boxer Club Open Show 30/12/2017  
Special Event

I was truly honoured to be asked to judge the special event and would like to thank the committee for a lovely day and especially the excellent stewards who kept everything running smoothly. I was delighted with the quality of the youngsters on show today, plenty of promise and some tough decisions.

1. Payne & Flintoff's Boxania Spice Guy at Birleyvale, super B/W male combining substance with elegance, presenting a balanced outline with good angulation front and rear, well-laid shoulders, good topline which he held well on the move for his age, super head, very expressive eyes, clean skull, well-padded muzzle of correct proportions, excellent mouth, moved very well and sympathetically handed to advantage. Seriously considered in the challenge, close decision.
